

# MUTIKA ANTI-COVID PROTOCOL 2021

Last year taught us how a positive attitude about change and the improvement of best practices are two fundamental elements in everyday life. While a **new normal** was going to be defined, we at Mutika have actively worked on several fronts: we have created **new experiences to be lived together virtually**, and at the same time we have designed brand **new best practices** to return to **live in-person experiences**.

## OUR PROTOCOL WORKS SIMULTANEOUSLY ON SEVERAL LEVELS

At Mutika, we are ready and always have been, to be at your side in each situation. We established a **Mutika Safety Ambassador** program. Our team receives up-to-date training to manage and minimize risk situations, while having the sensitivity to adapt at every change.

**THOSE WHO PARTNER WITH MUTIKA EMC,  
AND CONTINUE TO DO SO, KNOW HOW  
SERIOUSLY WE ARE COMMITTED TO  
GUARANTEEING EVERYONE'S HEALTH SAFETY.**

## OUR HEALTH-SAFETY MOMENTS

### WELCOME

The pleasure of get-together, safely

### STAY

A new way of welcoming,  
without feeling away from home

### EAT

Off-site dinner to enjoy the pleasure  
of being all together, safely

### MOVE

Safe passengers on certified vehicles

### DISCOVER

Organized tours for exclusive  
and reserved activities

### FUN

Entertainment and performances  
to shorter distances
